# #FightForPlanetA

## Sustainable Schools Network Limited

*reimagining education*

The Sustainable Schools Network (SSN) aims to build meaningful partnerships between schools and their communities regarding sustainability. Sustainability is a dynamic paradigm requiring on-going, collective commitments to innovation and change that is respectful of the human and environmental diversity that our planet depends upon. Our vision is to educate and connect school communities to imagine a sustainable future.

# Event Goals

#FightForPlanetA

The Connecting Regional Queensland: Sustainable Schools Summit aims to:

- Showcase leading local schools including Reef Guardian Schools
- Empower youth leadership by implementing the Kids Teaching Kids model
- Deliver education for sustainability professional development for the whole school community
- Enable regional connectivity
- Raise awareness of the United Nations Sustainable Development Goals (SDGs).

## Important details

Date: **19 October 2020**

Participation is open to North and Far North Queensland schools, and it is anticipated that up to 300 participants will attend from as many different schools as possible. Learning experiences are designed for students, teachers, parents and school leaders/business service managers.

The event will focus on the following SDGs:

ENVIRONMENTAL CONSULTANCY

A Great Barrier Reef Marine Park Authority Initiative

# Keynote Speakers

## Program Details

To connect with whole school communities we have engaged a high profile keynote speaker to present at the event. Craig Reucassel from War on Waste and the new series Fight For Planet A will feature in the opening plenary. Holley Sommerville Knott a youth leader who created Tell Someone Who Cares will also inspire.

The program will include an opening keynote plenary, followed by workshops facilitated by our partner organisations as well as leading local schools.

The day will conclude with a school showcase featuring local schools sharing how they do education for sustainability.

## Terms and conditions

This sponsorship agreement pertains to the Connecting Regional Queensland: Sustainable Schools Summit held in 2020 and facilitated by the Sustainable Schools Network Limited. The event organiser agrees to deliver the promotional inclusions as indicated in this document providing the event sponsor provides content to facilitate this process. The list price includes SSN administration costs. Promotional opportunities are available for a period of 3 months leading up to the event and 3 months following the event. The event organiser will endeavour to deliver the event as advised, however in the event that modifications are required this will not be deemed a reason to cancel an agreed sponsorship agreement. If the event is cancelled a refund will be issued, minus any funds already spent.

The event sponsor agrees to pay the identified amount for the level selected before promotion commences; provide an organisational logo; provide a copy of public liability insurance if a stall is required; provide promotional materials for social media and email campaigns; promote the Summit where possible.

## PLEASE SIGN AND DATE:
