

2020 SUSTAINABILITY SYMPOSIUM

SUSTAINABLE DEVELOPMENT  GOALS

EVENT GOALS

The 2020 Sustainability Symposium aims to empower the youth leaders required for a sustainable future, develop a common understanding of the concept 'sustainability' and address the SDGs 11, 16 and 17.

EXPERT PRESENTERS

Jaimie Cloud, Damon Gameau, Luka Lesson, Sam Morris, Erfan Daliri, Chelsea McLean, Cam Mackenzie, Alison Sammel, Larissa Rose and Christine McDougall are just some of the amazing presenters involved.

SUNDAY 26 APRIL 2020

Introduction to Education for Sustainability professional development for teachers, parent sessions, commencement of the operational leader program and Luka Lesson's poetry session for students.

MONDAY 27 APRIL 2020

Youth Masterclass with Jaimie Cloud will be offered in the morning for leading students. Whilst the operational leader program will be delivered in the afternoon to inspire change in the school environment.

TUESDAY 28 APRIL 2020

A live Q&A session will be offered for parents and operational leaders to ask questions of presenters on Tuesday afternoon. In the evening the Connect-ED Feed will be offered online with an expert panel discussing EfS.
