## SCHOOLS NETWORK

SCHOOL MEMBERSHIP PACKAGE // 2019

WWW.SSN.ORG.AU // INFO@SSN.ORG.AU // FB: SUSTAINABLE SCHOOLS NETWORK

### WHAT WE DO AT SSN

The SSN aims to empower passionate, collaborative and innovative educational networks regarding sustainability. Key deliverables include: an annual Sustainability Symposium, regular networking nights and professional development opportunities, school sustainability award, the creation of a youth ambassador program including training, bi-monthly SSN Journal, regional summit, and support for school communities to address the Australian Curriculum cross-curriculum priority: sustainability.

Free membership to the SSN is now available for your school. Sharing your sustainability journey with like-minded schools is the primary benefit, along with

accessing tips and resources to develop your sustainability initiatives. Email [info@ssn.org.au](mailto:info@ssn.org.au) to access your school's free membership for 2019.

### EDUCATE

Your 2019 Membership will ensure you stay up-to-date with tips, resources and training opportunities regarding sustainability education. You are also more likely to feature in the SSN Journal.

### CONNECT

Click-through member logos will be displayed on our website for interested others to connect with your school. The SSN will create a member database that can be shared to build partnerships.

### IMAGINE

The SSN will help you imagine a sustainable future by sharing inspiring stories of action. An optional introductory meeting will help you define your sustainability strengths and future plans (cost involved)..
